Resulam is a 501(c)(3) non-profit organization dedicated to preserving cultural heritage and raising awareness through various initiatives. We publish books, develop applications, and create cartoons to facilitate learning of African ancestral languages. Our dedicated volunteers have already produced over 500

videos, which are available on our YouTube channel for free. However, we need your support to continue our important work in preserving and revitalizing African languages.

By contributing to Resulam, you can help us sustain our efforts in publishing books, developing applications, creating educational cartoons, and producing videos that are accessible to all on YouTube.
